File 4A - Francisco

Declaration of Irma Francisco Regarding Visitation with the Minor filed on 9/28/11. Ms. Francisco states before she filed for guardianship the minor practically lived with her. She states she had many concerns regarding the mother but was unable to prove them during the court proceedings. It wasn't long after the court proceedings that the minor was at her home a significant amount of time again. Through the summer of 2011 the minor was spending weeks at a time at her home. At the temporary hearing on August 16, 2011, the guardians and Ms. Francisco were able to come to an agreement regarding visitation until the general hearing on 9/28/11. Ms. Francisco states the minor visits in her home every other weekend from Friday at 4:00 p.m. until Saturday at 8:00 p.m.

Ms. Francisco states it has been brought to her attention that the Petitioners indicate they have concerns regarding the minor while in her care. Ms. Francisco states she believes that the guardians are trying to hinder the relationship the minor has with her paternal relatives.

Ms. Francisco states she is bringing this to the court attention as she believes that it would be highly detrimental to the minor's well-being if the Petitioners hinder the relationship the minor has with Ms. Francisco.

Objections to Guardianship filed by Joel Alvarado and Elizabeth Alvarado on 12/23/11. Objector's state the minor came to live with them on August 2, 2011. Prior to living with them she had terrible grades in school, earning mostly D's and F's or their equivalent. This year since living with the Alvarados, her grades have improved markedly. She now has a 2.8 grade point average. Moreover, since living with the Alvarados, the minor has enjoyed many opportunities that were previously unavailable to her. She has played volleyball, made the soccer team, joined the band and is trying out to be a cheerleader. She is also on track to join the "Doctors Academy" in high school, which is a special Advanced Placement program. Objector's further object to Ms. Francisco's petition because she has demonstrated her unwillingness to take seriously the risks posed by the minor's father, Jose (who is also Ms. Francisco's son). On 9/20/10, Jose was convicted, after a plea of no contest, of being a felon in possession of a firearm, with a gang enhancement. He was sentence to 16 months in the Wasco Prison. He was also ordered to register with law enforcement as a gang member. Objectors allege that the father, Jose is living in Ms. Francisco's home. Objectors are concerned that Ms. Francisco does not recognize the seriousness of allowing Jose to live in her home. Jose presents a high risk of not only providing a bad influence for the minor's personal development, but of exposing her to gang activity, including violence. For those reasons the Objectors request Ms. Francisco's petition be denied and that the Avarados' petition be granted.
